AWARD

This is a reference made to this Tribunal by the Govt. of Goa, Daman and Diu, by its order No. 28/14/82-ILD dated April, 2, 1983. The schedule annexed to the Order of Reference reads as follows:

"Whether the action of the management of M/s. Marlim Transport Company Private Limited Margao Salcete Goa, in terminating the services of Shri Jumuwant Tari, Conductor with effect from 15-8-81 is legal and justified?

2. In his statement of claim, the workman states that he was employed in the employer company as Conductor on their transport buses, on casual basis, in the year 1969. His salary, at that time, was Rs. 90/- per month, inclusive of all allowances. In the year 1972, he was issued a letter by the company showing therein the date of his joining as 27-7-1972, although it was on this date that the services of the workman were made permanent and the workman was taken on the permanent roll of the Company. Right from the date of his employment with the Company in the year 1969 till his illegal dismissal w.e.f. 15-8-1981 the service records of the workman for nearly 12 years were clean and without any blemish. On 15-6-1981 when the workman, as usual, reported for duty, the Supervisor of the company refused him employment and he was directed to report to the Head Office of the Company and seek further instructions. When he called on the Head Office, he was issued a letter dated 12-6-1981 informing him that he was suspended from the services of the Company for 30 days. In this letter, certain allegations were made against the workman, but no specific charges were levelled against him. The workman replied to this letter on 16-6-1981, a copy of which was endorsed to the Asstt. Labour Commissioner. In this letter, the workman denied all the allegations made against him. The employer company, after receiving this letter, sent a registered A/D letter dated 17-8-1981 terminating his services by way of dismissal w.e.f. 15-8-1981. The Labour Commissioner was approached and conciliation proceedings took place, but with no result and, hence, this reference. It is workman's contention that his termination is illegal, since no charge sheet was issued to him and no inquiry conducted and so he was not provided with an opportunity to defend himself. The action of the employer in suspending first the workman without holding an inquiry is also illegal and an act of victimization and unfair labour practice. He has prayed that his termination be held as illegal and set aside and he reinstated in his post with continuity of services and full back wages.

3. Before any written statement was filed by the employer company, both the parties approached the court with an application saying that they had settled the matter amicably as per the terms mentioned in the application and prayed that Consent Award be passed accordingly.

The terms of settlement are as follows:

- 1) That the employer Party-II is ready and willing to pay to the workman Party-I a sum of Rs. 2,700-00 in four instalments (Three monthly instalments) of Rs. 675-00. And the workman Party-I is agreeable and willing to accept from the Party-II the said sum of Rs. 2,700-00 in instalments as mentioned above.
- 2) The first instalment of Rs. 675-00 will be paid by the Party-II 22nd February, 1984 and the remaining instalments of Rs. 675-00 each will be paid by the Party-II to the Party-I on 5th May, 1984; 5th August, 1984 and 5th November, 1984 respectively and the Party-I is ready and willing to accept the terms and conditions mentioned herein above.

3) The party-I, the workman Shri Jamuwant Tari, is agreeable and willing to accept the above settlement, though, his claim is for reinstatement with full back wages, as he is most likely to proceed abroad soon for a job, in which case he will not be able to attend the adjudication proceedings before the Hon'ble Tribunal and hence he is accepting the above settlement.

4. I have perused the above terms and feel that the same are fair and do justice to both the parties. Hence, I accept them and pass the following order:

ORDER

Consent Award in terms of the above settlement is hereby made and the matter is disposed off with no order as to costs.

On the date fixed for filing of the statement of claim of the workman, both the parties remained present and moved an application signed by both stating therein that they had amicably settled the dispute as per the terms of settlement which were filed alongwith the application and prayed that a Consent Award be passed accordingly.

3. I have carefully perused the terms of settlement which are as follows:

"1. It is hereby agreed between the parties that the Employer shall pay Shri Khushali Chari 7 and half months

salary at the last drawn rate towards the settlement of his demand of reinstatement with continuity of service.

2. The Employer agrees that the payment under clause 1. of this settlement shall cover the full and final settlement of all the legal dues payable to Shri Khushali Chari by the Employer.

3. The parties agree to register this settlement under the provisions of Industrial Disputes Act, 1947.

4. The parties also agree to file this settlement before the Hon'ble Industrial Tribunal, Goa, Daman & Diu, for consent award.

The amount mentioned under clause 1. shall be paid to Shri Khushali Chari within 7 days from the date of signing of the settlement at the Campal Office of the firm".

The said terms do justice to both the parties and hence I accept them and pass the following order:

Workmen/Party I represented by Adv. F. Rebelo and Adv. Guru Shirodkar.

Employer/Party II represented by Adv. A. F. Rodrigues.

AWARD

This is a reference made to this Tribunal by the Government of Goa, Daman and Diu, by its Order No. 28/22/83-ILD dated 19-7-83. The schedule annexed to the Order of reference reads as follows:

"Whether the action of the employer M/s. Gangadhar Narsingdas Agrawal, Margao, Goa in closing down the Barge Section under them w.e.f. 30-6-1983 is legal and justified?

If not, to what relief the workmen are entitled to?"

2. The Union representing the workmen, in its statement of claim, has stated that the workmen were employed with the employer for various periods of time. The company by its notice dated 29-4-1983 purportedly informed the Secretary, Industries & Labour Department, Government of Goa, Daman and Diu, that they intend to close down the barge establishment w.e.f. 30-6-1983 for the reasons mentioned therein. The number of workmen whose services were to be terminated

on account of closure stood at 49 and the reasons assigned for the closure were continuous losses in the barge establishment. The employers have been running their business and, infact, even had contracts from the M. M. T. C. and as such they had no reason to close down the barge establishment as they intend to do. The employers were even engaging the services of barges other than their own for the purpose of transporting ore on behalf of M. M. T. C. The employers have been resorting to unfair labour practices in their various establishments from time to time. At one point of time, they had closed down the barge repairing establishment at Cortalim. Such closure was a sham one so much so that immediately after the matter was purportedly settled the employer company continued to run the barge establishment. The employers are in the habit of declaring false closures in order to victimize the workmen and in order to resort to unfair labour practices. The workmen are entitled to receive salaries from the employers for which they have preferred a claim before the Labour Court. The barge section of the employer company has not been closed down as it is still doing work. The employers have not fulfilled the conditions required for the closure under the provisions of the Act and as such the closure is illegal, null and void. As the closure took place during the pendency of the conciliation proceedings before the Labour Commissioner it is in contravention of the provisions of the I. D. Act and as such illegal, null and void. It is prayed that it may be held that there is no closure and that the employer company continues to function. The entire action of the employer company is mala fide.

3. Before any written statement was filed by the employers both the parties approached the Tribunal and stated that they had settled the matter amicably and produced the memo of settlement, praying that consent award be passed accordingly.

4. I have carefully perused the memo of settlement and arrived at the conclusion that it is just and fair to both the parties. Hence, I accept the same and pass the following order:

ORDER

Consent Award in terms of the above settlement which shall form part of this Award is hereby made and this reference is disposed off. No order as to costs.

Short Recital of the Case

The management of M/s. Gangadhar Narsingdas Agrawal, Margao, Goa gave a notice of closure of the barge section of their establishment and accordingly terminated the services of 48 barge crew w.e.f. closing hours of 30-6-1983. The barge crew represented by United Bargemen's Association, raised this issue requesting for intervention on 1-6-1983. Government however under section 10(1)(d) of the Industrial Disputes Act, 1947 referred the dispute to Industrial Tribunal, Goa, Daman and Diu for adjudication as regards the issue of closure were concerned. However the fact remained of non payment of earned wages of 4 months i. e. of March, April, May and June, 1983 of the 48 barge crew by M/s. G. N. Agrawal and the barge crew therefore agitated over this issue. As majority of the workman/barge

crew were outside the perview of the Payment of Wages Act, 1936 the union i.e. United Bargemen's Association through individual workmen approached the Labour Court, Goa, Daman and Diu for recovery of wages. Finally on 7-1-84 the Union gave a notice of strike on all the barge owners in the barge industry intimating their intention to go on strike from 0 (Zero) hours of 10th January, 1984 demanding immediate settlement of the dispute of 48 retrenched barge crew. This being a Public Utility Service the conciliation machinery of the Labour Department immediately intervened.

During the proceedings the Union alleged that the closure and the retrenchment of 48 barge crew by the employer is unjustified and illegal and the closure of the establishment is in fact not a closure.

The employer on the other hand stated that the closure is bonafide and is due to financial stringency and added that the barge crew were offered closure compensation as per the provisions of the law in force.

The Union however did not agree for closure compensation limited to three months' wages.

Terms of Settlement

1. The employer M/s. G. N. Agrawal, Margao shall pay the earned wages of the month of March, April, May and June, 1983 to all the 48 barge crew in two instalments i.e. the salary for the month of March, 1983 on or before 20-1-1984 and the salaries for the month of April, May and June, 1983 on or before 25-1-1984. *

2. It is agreed between the parties i.e. the United Bargemen's Association representing the barge crew and M/s. G. N. Agrawal, Margao that the 48 barge crew stand properly relieved by way of retrenchment arising out of closure of barge section w.e.f. 30-6-1983 afternoon i.e. closing hours of 30-6-1983.

3. The employer shall pay to such barge crew all their legal dues which includes notice pay, retrenchment compensation as per section 25 F of the Industrial Disputes Act, 1947, gratuity as per the existing terms and conditions existing in the barge industry, unpaid bonus, leave salary, compensatory off and accumulated weekly off if due in three instalments as follows:—

(a) The first instalment amount amounting to 25 percent of all legal dues shall be paid to each and all 48 barge crew on or before 30-3-1984;

(b) The second instalment amount amounting to 25 percent of all legal dues shall be paid to each and all 48 barge crew on or before 30-5-1984;

(c) The third and final instalment amount amounting to 50 percent shall be paid to each and all 48 barge crew on or before 30-9-1984. If the payment of the third instalment is delayed up to 18-12-1984 the management agrees to compensate the delay by 10 percent interest over the amount due. It is further agreed by the management that in no case the payment of third instalment shall not be delayed beyond 18-12-1984.

4. The employer agrees to give preference to the retrenched barge crew in re-employment to be employed afresh and such preferences shall be based on category-wise seniority. For this purpose the retrenched crew shall submit immediately their permanent addresses for the said purposes to the employer.

5. The Union agrees that the retrenched barge crew shall vacate all the barges under the control and custody of the employer no sooner their wages as referred to in clause 1 above are paid and allow the management to carry out repairs of these barges in their workshop at Cortalim during which the barge would be guarded by the police.

6. The employer agrees pending payment of legal dues as referred to in term of settlement No. 3 above the barges shall not be moved out of the workshop either for usage or for otherwise. They shall also not transfer or sell these barges to any third party.

7. It is further agreed by the Union that the two barges namely Ganga Anirudha and Ganga Jamuna shall be handed over to the employer for operational purposes and the Union shall not in any way obstruct the smooth operation of these two barges. The Union also agrees that the condition stipulated in clause 6 above shall not be applicable to these two barges.

8. It is also agreed by the employer to withdraw all the police cases against 37 barge crew simultaneously.

9. It is agreed by the Union and the workmen that the instant industrial dispute with the above said employer is amicably settled in view of the above terms of settlement and further agreed to approach the Industrial Tribunal for consent award.

10. Both the parties agreed to send a compliance report of this settlement to the Commissioner, Labour and Employment, Panaji and to me in stages after each payment.
